

The Corporation of the Town of Atikokan

By-Law No. 24-20

Being a By-Law for Establishing and Maintaining a Waste Management System.

WHEREAS Section 10 subsection (1) of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, provides that a single-tier municipality may provide any service or thing the municipality considers necessary or desirable for the public; and

WHEREAS Section 11 subsections (3) (3) of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended provides for the establishment of a waste management system within the Town of Atikokan; and

WHEREAS Section 127 subsections (a) and (b) of the *Municipal Act, 2001*, S.O. 2001, c.25, as amended provides for the regulation of clearing and cleaning land including refuse and debris by the owner or occupier of said land; and

WHEREAS the Council of The Corporation of the Town of Atikokan deems it necessary and expedient that regulations be made for establishing, maintaining and operating of a system for the collection of garbage and other refuse, and the disposal thereof;

NOW THEREFORE the Council of The Corporation of the Town of Atikokan **ENACTS AS FOLLOWS:**

1.0 TITLE, SCOPE AND DEFINITIONS:

1.1 **Short Title:** This by-law may be cited as the “Waste Management By-Law”

1.2 Scope:

1.2.1 The provisions of this by-law shall apply to all persons, lands, structures and uses within the boundaries of The Corporation of the Town of Atikokan.

1.2.2 No person shall dispose of, or cause to be disposed, any waste, refuse or garbage except in conformity with the provisions of this by-law and schedules annexed thereto.

1.2.3 This by-law shall not be effective to relieve, reduce or mitigate any person from compliance with any provision of the Health Protection and Promotion Act or the Environmental Protection Act or any regulation or order prescribed by the Medical Officer of Health or the Ministry of the Environment, Conservation and Parks.

1.2.4 Waste diversion, as part of the waste management system, shall be promoted and encouraged within the community.

1.3 Definitions:

1.3.1 “apartment building” shall mean a building that contains 4 or more dwelling units which have one or more common entrances from road level and may be served by a common corridor, and the occupants of the units have the right to use in common the corridors, stairs, elevators, yards or one or more of them. Any type of multi-unit building shall be classified as a commercial enterprise for the purposes of garbage collection and disposal.

1.3.2 “approved container” shall mean a garbage container, yard waste container or recycling container constructed of metal, plastic, or wood equipped with a tight-fitting lid where the volume is no larger than 121 L, 36” (90cm) in height and equipped with handles, commonly known as a store purchased garbage can. The container must be kept in good operating order and capable of being readily sanitized. The maximum weight capacity of the container and the garbage, waste and other refuse shall not exceed 33 lbs (15 kg).

- 1.3.3 “ashes” shall mean the solid residue of any household fuel remaining after burning.
- 1.3.4 “Attendant” shall mean the person appointed to carry out the duties associated with operating and maintaining the Municipal Waste Disposal Site(s).
- 1.3.5 “bag tag” shall mean an adhesive coloured tag issued by the Town of Atikokan bearing The Corporation of the Town of Atikokan logo.
- 1.3.6 “bundle” shall mean garbage or recycling that will not readily fit in other receptacles. Bundles shall be collected provided they are folded into pieces not more than 3’ (0.9 m) in length and securely tied. The weight of such bundles shall not exceed 33 lbs. (15 kg) for garbage or 10 lbs. (4.53 kg) for recycling. Such bundles shall be shaped and tied so that a collector can carry such bundle in one hand.
- 1.3.7 “composting” shall mean the process of decomposing organic matter to create a stabilized humus.
- 1.3.8 “bulky items” shall mean any weighty or bulky materials that do not fit in an Approved Container, including but not limited to furniture, mattresses, carpet, large electronics, bicycles, appliances, garden, yard and outdoor equipment such as pools or parts thereof, barbecues, fence wire, tarps, swing sets, pool or hot tub covers, construction or demolition wastes such as cabinets, doors, windows, bath fixtures, automobile parts, and any other large discarded material as designated by the Official.
- 1.3.9 “commercial” shall mean buildings or structures classified as commercial in the Town of Atikokan’s Zoning By-Law and amendments thereto.
- 1.3.10 “construction/demolition material” shall mean discarded building material, including wood, concrete, stones, earth from excavations or grading and all other refuse matter resulting from the erection, repair, demolition of buildings, structures or other improvements of property.
- 1.3.11 “contaminated soil” shall mean soil which has been exposed to, contains, is saturated with or is in any other way polluted with a foreign element which the Ministry of the Environment has directed be disposed of in a Municipal Waste Disposal Site.
- 1.3.12 “Contractor” shall mean the company, including its employees, appointed by the Council of The Corporation of the Town Atikokan to operate and maintain the Municipal Waste Disposal Site(s).
- 1.3.13 “Corporation” shall mean The Corporation of the Town of Atikokan.
- 1.3.14 “Council” shall mean the Council of The Corporation of the Town of Atikokan.
- 1.3.15 “derelict motor vehicle” means a motor vehicle that is inoperable and has no market value as a means of transportation.
- 1.3.16 “dwelling” shall mean a building, occupied or designed to be occupied exclusively as a home, residence or sleeping place by one or more persons.
- 1.3.17 “garbage” shall mean waste other than recyclable materials, compost, hazardous waste, white goods, wood waste and non-complying waste.
- 1.3.18 “garbage bag” shall mean a disposable 1-1/2 mil plastic, or greater, garbage bag of not less than 50 L, nor more than 120 L capacity, filled to a maximum weight of 33 lbs (15 kg) and securely tied.

- 1.3.19 "garbage collector" means a Contractor, including their employees, employed by The Corporation of the Town of Atikokan, who is engaged in the collection, transportation and disposal of municipal waste from within the Town of Atikokan.
- 1.3.20 "garbage shed" shall be an approved garbage shed located on any industrial, commercial or institutional (ICI) properties. These structures shall conform to the following guidelines:
- i. Constructed of wood, steel or plastic and the minimum size shall be 8' long x 4' wide x 4' high (2.4 m x 1.2 m x 1.2 m) and the floor where the garbage, waste or any other refuse is placed shall be 18" (0.45 m) above ground level.
 - ii. A water proof roofing material shall be installed on the roof to protect the garbage, waste and other refuse.
- 1.3.21 "hazardous waste" means waste and materials as may be defined by the Ministry of Environment, in the Certificate of Approval for the Waste Management site as hazardous.
- 1.3.22 "Health Officer" shall mean the District Medical Officer of Health or any public health inspector authorized to act in that behalf.
- 1.3.23 "householder" shall mean the owner, occupant, lessee, tenant or other person in charge of a dwelling.
- 1.3.24 "industrial" shall mean buildings or structures located in the industrial zones as outlined in the Zoning By-Law and any amendments thereto.
- 1.3.25 "institutional" shall mean buildings or structures located in the institutional zones as outlined in the Zoning By-Law and any amendments thereto.
- 1.3.26 "landfill" means any land upon, into in or through which, waste is deposited or processed and any machinery or equipment or operation required for the treatment or disposal of waste.
- 1.3.27 "Ministry of the Environment" shall mean the Ontario Ministry of Environment, Conservation and Parks, as well as its predecessors and successors.
- 1.3.28 "manufacturers" and "trade waste" shall mean any abandoned, condemned or rejected product or by-product or the waste from any producer or by-product used by industry, manufacturer, builder or Contractor in the operation of their business or trade, and scrap metal and motor vehicle parts from garages and service stations.
- 1.3.29 "Municipal Landfill" shall mean a sanitary landfill designated and operated by The Corporation of the Town of Atikokan.
- 1.3.30 "Municipal Transfer Station" shall mean the landfill site operated by the Town of Atikokan used primarily for the deposit of household garbage before being transferred to a Municipal Landfill site.
- 1.3.31 "Official" means the Director of Public Works, Fire Chief, Chief Building Official, By-Law Enforcement Officer or their designates.
- 1.3.32 "other approved material" shall mean all other material not within the definition of "garbage" which has been approved of by the Attendant as being material which does not form a health hazard or have a deleterious effect on the operation of the Municipal Landfill.
- 1.3.33 "receptacle" shall mean either:

- i. An Approved Container as defined by this by-law; or
- ii. A Garbage Bag as defined by this by-law.

1.3.34 "recyclable material" means those materials and items which are designated by The Corporation of the Town of Atikokan and accepted for collection, transfer and processing at a recycling center or third-party re-user and as may be further defined in the schedule(s) annexed to this by-law.

1.3.35 "person" means any human being, association, firm, partnership, incorporated company, corporation, agent or trustee and any heirs, executors, successors, assigns or other legal representative of a person to whom a contract can apply according to law.

1.3.36 "pick-up point" shall mean the place, area or point from which garbage will be collected by the garbage collector.

1.3.37 "scavenging" means the uncontrolled removal of reusable material from waste at a landfill site.

1.3.38 "street" shall mean a public highway, road, street, lane, alley, square, place or thoroughfare within the Town of Atikokan.

1.3.39 "unsanitary conditions" shall mean any nuisance or any condition, matter, accumulation or thing which, in the opinion of the Official, may be injurious to health or which, in their opinion, may result in the creation of a nuisance.

1.3.40 "waste" shall include garbage, refuse, waste, domestic waste, industrial solid waste, ashes and such other material as may be designated by by-law, and shall not include material designated as "recyclable".

1.3.41 "waste disposal site" shall mean any landfill or transfer station operated by the Town of Atikokan.

1.3.42 "white goods" means household appliances such as refrigerators, freezers, stoves, ovens, hot water heaters, water tanks, washing machines, clothes dryers, and similar such items, goods, and materials.

1.3.43 "wood waste" means waste that is wood or wood product, including tree trunks, branches, leaves and shrub brush and that is not contaminated with preservatives, creosote, paints or stains and from which easily removable hardware, fittings and attachments, unless they are predominately wood or cellulose, have been removed, but does not include an upholstered article or an article to which a rigid non-wood surface treatment is affixed or adhered.

2.0 GENERAL PROHIBITIONS:

2.1 No person shall sweep, throw, cast, lay or deposit, or direct, suffer or permit any servant, agent or employee to sweep, throw, cast, lay or deposit any ashes, garbage, dirt, stones, waste or refuse of any kind whatsoever in or upon any street, lane, watercourse or public property within the Town of Atikokan.

2.2 No person shall obstruct any highway, street, lane, alley or public place by placing or leaving thereon any garbage receptacle, garbage or non-collectible waste.

2.3 No person shall pick over, disturb, remove or scatter any ashes, garbage, waste or other refuse placed for collection or disposal by a householder in accordance with this by-law.

3.0 ABATEMENT OF UNSANITARY CONDITIONS:

3.1 The owner or occupier of any grounds, yards, vacant lots or real estate shall cause the same to be drained and kept free of garbage and other refuse.

3.2 No person, firm or corporation shall create or maintain an unsanitary condition or permit the existence of an unsanitary condition upon a premises, or upon the streets, lanes and private lands in the rear, or adjoining a premises, or in any place or in any manner within their control or management.

3.3 Where the Official becomes aware of the existence of any unsanitary condition, he/she shall serve written notice to abate the unsanitary condition on the person(s) responsible. Failing such abatement within the time stipulated in the notice, the Official may cause the abatement or removal of same at the expense of the person at fault.

3.4 The failure of the person(s) responsible to comply with a notice shall be considered a breach of this by-law and subject to the penalties provided herein.

3.5 Notwithstanding anything herein contained, no person shall place for collection any material, substance or object which may or is likely to be injurious to the health and safety of any person.

4.0 RESIDENTIAL COLLECTION

4.1 Each dwelling is permitted to two free garbage receptacles for weekly curbside collection.

4.2 Two additional garbage bags are permitted provided bag tags are affixed to each bag.

5.0 INDUSTRIAL, COMMERCIAL & INSTITUTIONAL COLLECTION:

5.1 Industrial, Commercial and Institutional (ICI) establishments shall keep their premises free of accumulated garbage, waste and other refuse.

5.2 The ICI establishments are limited to three (3) free garbage receptacles for weekly curbside or garbage shed collection by the Town's garbage collector.

5.3 If collection requirements are above the three (3) free weekly receptacles five additional garbage bags are permitted provided bag tags are affixed to each bag.

5.4 An ICI establishment requiring weekly receptacles over and above the eight (8) receptacle limit may enter into an agreement with the Town's garbage collector. All tipping fees will be as per The Town of Atikokan Fees By-law and related schedules.

5.5 Every garbage bag or bundle shall be placed in an approved container or garbage shed.

5.6 Notwithstanding the arrangements outlined above, the said owner or agent from any one ICI sector property is responsible for the removal of any remaining waste at the expense of the operator of the premises.

6.0 GENERAL WASTE COLLECTION:

6.1 Garbage bags or bundles that require a bag tag shall have the bag tag affixed around the neck of the bag or otherwise securely attached, in a prominent location. The Town accepts no responsibility for tags lost or removed from the receptacle. A garbage bag tag can only be used once.

6.2 Garbage, waste and other refuse, including kitchen, yard waste and animal feces placed for collection shall be drained of all liquid matter and shall be contained in a plastic bag before being placed in the receptacle.

6.3 Waste that will not readily fit into the specified receptacle will be collected provided it is secured in a bundle, as defined in this by-law.

- 6.4 Materials designated by the corporation as recyclable, and as defined in Schedule "B", are not to be collected as garbage. The garbage collector shall not collect any containers or package of garbage which appears to contain any recyclable materials.
- 6.5 The Council shall name one or more days in each week for the collection of garbage, waste, and other refuse from premises within the Town or in any defined area or areas thereof, as outlined in the attached Schedule "C".
- 6.6 Council, through the appointed Official, will designate pick-up points for all dwellings, near the street line or back lane as may best facilitate collection. Receptacles and/or bundles must be placed at the pick-up point on ground level.
- 6.7 Every householder and ICI establishment shall place all garbage, waste, and other refuse at the pick-up point not later than 8:00 a.m. on the day of collection in the Town of Atikokan.
- 6.8 Between the months of May 1 to October 31, no person shall place garbage, waste or other refuse at the pick up point earlier than 5:00 a.m. on the day of pick up.
- 6.9 Between the months of November 1 to April 30, no person shall place garbage, waste or other refuse at the pick up point earlier than 5:00 a.m. unless the garbage, waste or other refuse is placed into an approved container.
- 6.10 Every person shall remove emptied containers from their pick-up point no later than 6:00 p.m. on the day of their scheduled pick-up.
- 6.11 In no event shall an employee of the Corporation or an employee of the Contractor engaged by the Corporation to collect and dispose of garbage, waste and any other refuse, enter any dwelling, hotel, apartment house, tenement or building or ascend any stairway or enter an elevator, hoist or lift for the purpose of carrying out or returning thereto any receptacle, except into a garbage shed at a business or apartment dwelling and located at ground level.
- 6.12 Receptacles or bundles of garbage, waste and other refuse beyond the curbside limit or exceeding 33 lbs (15 kg) shall become the responsibility of the property owner or agent to properly transport and dispose of at a Municipal Waste Disposal Site.
- 6.13 The determination of compliance with the provisions of Subsection 6.12 shall be at the sole discretion of the Contractor employed by the corporation engaged in the collection, transportation and disposal of municipal waste and by the Director of Public Works or designate. Any such determination shall be final.
- 6.14 Each household and ICI establishment shall be responsible to remove and dispose of, in an approved manner, any accumulation of scattered garbage or waste that may result from their tipped or damaged receptacle.

7.0 MANUFACTURERS COLLECTION:

- 7.1 Manufacturers' or trade waste shall not be collected by the Corporation but shall be removed and disposed of by the owner or person responsible therefore in such manner as approved by the Official and all costs, charges and expenses incurred or necessitated in disposing of the same in accordance with such agreement be borne by the owner or person responsible.
- 7.2 Where any expense is incurred by the Corporation in arranging for the disposal of any manufacturers or trade waste for which a manufacturer, builder, Contractor or other person is responsible, such person shall forthwith pay to the Corporation the amount of the expense so incurred.

7.3 No person shall convey through the street any garbage, ashes, waste or other refuse or any swill, liquid waste or offensive matter, except in properly constructed and covered containers or in vehicles equipped with canvas covers or a tarpaulin shall be placed and fastened in such manner as shall prevent such matter from falling onto the streets.

8.0 FEES:

8.1 All users of the Municipal Landfill will be charged Tipping Fees, through the use of Tipping Fee tokens, except for the following:

Town Departments

The Contractor for Garbage Collection for the Corporation when performing his duties under the current waste collection contract.

8.2 Council may by resolution authorize the waiving or reduction of tipping fees for disposal services available to Industrial, Commercial and Institutional properties or grant minor variances to provisions of this by-law for community groups, non-profit organizations, special activities and other circumstances where Council in its unfettered sole discretion deems that such actions are within the public interest and not contrary to the intent of the by-law. Considerations will be reviewed only upon application by the aforementioned groups.

8.3 Residents and businesses within the Town of Atikokan boundaries and whose dwelling or business lies outside of the area served by the collection Contractor shall be awarded, upon application, a number of Tipping Fee Tokens or Bag Tags equivalent to but not to exceed the maximum volume of collections as provided by this by-law. Tokens shall be awarded for periods not exceeding three (3) calendar months and shall not be awarded retroactively.

8.4 Tokens and bag tags will be made available at the Municipal Office during regular business hours and at various retail outlets. Outlet locations will be regularly advertised.

8.5 The cost of tokens and bag tags shall be determined as per the Town of Atikokan Master Fees By-Law and its schedules.

9.0 MUNICIPAL TRANSFER STATION AND LANDFILL SITE:

9.1 The following area(s) shall be designated as the Municipal Waste Disposal Sites for the Corporation:

9.1.1 Site No. 1 – Atikokan Municipal Transfer Station

Located on the parcel of land known as the Plan of Location SH155 and Plans 48R 2184 and 48R 2217, plus parts of Mining Claims 815X, 816X, 817X and 818X in the Town of Atikokan, District of Rainy River and operated under the Ministry of Environment, Conservation and Parks Conservation and Parks Environmental Compliance Approval No. 8705-4J9PT2 as amended.

9.1.2 Site No. 2 – Pipeline Road Landfill Site

Located on the parcel of land known as the Registered Plan 48-2184, part of Lots 1 and 4, Town of Atikokan, Rainy River and operated under the Ministry of Environment Certificate of Approval number 8705-4J9PT2, as amended.

9.2 The Municipal Transfer Station and Pipeline Road Landfill shall be operated and maintained in accordance with a by-law passed by Council, and the terms and conditions of the respective Ministry of Environment Conservation and Parks Environmental Compliance Approval, as amended from time to time.

9.3 No person shall use any lands within the Town of Atikokan as a landfill except lands designated for such use by by-law by the Council of the Corporation.

9.4 Notwithstanding any other penalty or remedy of law available to the Corporation, the owner, occupant, lessee or person using any structure or lands within the boundaries of the Municipality for the dumping or disposing of garbage, refuse, industrial waste, hazardous materials or waste of any kind where such lands or structures are not designated as a landfill, shall upon written notice served by the Corporation cease using such lands or structures for such purposes and shall remove or cover such garbage, refuse, industrial waste, hazardous materials or other waste in the manner as may be prescribed by the corporation.

9.5 The following relates to the hours of operation of the Municipal Waste Disposal Sites.

9.5.1 The Municipal Waste Disposal Sites shall be open for the disposal of waste and other permitted materials in accordance with the times set out in Schedule "A" to this by-law.

9.5.2 Notwithstanding the provisions of Section 9.5.1 above, public access to the Municipal Waste Disposal Sites shall be restricted to those times when a landfill attendant is on duty and in attendance at the site.

9.5.3 There shall be no disposal of materials without approval of the attendant.

10.0 GENERAL RULES FOR UTILIZING THE MUNICIPAL WASTE DISPOSAL SITES

10.1 Persons shall dispose of permitted waste at the Municipal Waste Disposal Sites in accordance with the provisions of this by-law, in accordance with the required fees and in accordance with the directions of the attendant.

10.2 Garbage, waste and other refuse conveyed to the Municipal Waste Disposal Sites shall be so contained and transported as not to be blown or scattered from the transport vehicle or to leave deposits along road allowances and abutting lands.

10.3 To prevent the on-site scattering of garbage at the Municipal Waste Disposal Sites, no person shall dispose of garbage, waste or other refuse that is not contained in a receptacle except for large or bulky items and loose construction waste.

10.4 The Attendant is granted authority, responsibility, and duty to access each load of waste and determine the Tipping Fee as per the Fees By-Law, including the authority to pro-rate part loads or intermediate size vehicles.

10.5 The Attendant is hereby authorized to refuse any person access to the Municipal Waste Disposal Site who is in contravention of any provision of this by-law as may be reasonably determined by the Attendant.

10.6 The Attendant will ensure the following garbage, waste or other refuse is sorted and deposited at the Municipal Landfill:

- 1) Hot ashes
- 2) Steel products, including derelict motor vehicles
- 3) Clean wood waste products
- 4) Domestic household products (white goods)
- 5) Leaf and yard waste
- 6) Tires
- 7) Waste Electronic Equipment
- 8) Any materials listed in Schedule B of this by-law.

Person(s) shall be required to deposit or place the above-mentioned sorted materials in their properly designated location. If a person(s) does not sort or place materials in designated locations, it may result in penalties outlined in accordance with the provisions of this by-law.

10.7 No person shall dispose of, or cause to be disposed of, in the Municipal Waste Disposal Sites any prohibited waste materials as listed in the Waste Disposal Site Certificate of Approval.

10.8 The Attendant shall have the right to determine whether material is approved or otherwise. Only material which in the judgement of the Attendant is garbage or other material shall be off-loaded. Such materials shall be off-loaded as indicated by the instructions on signs or by verbal instructions by the Attendant on duty. Verbal instructions by the Attendant on duty shall have precedence over instructions on signs. Material rejected by the Attendant shall be disposed of as he/she directs or removed from the site.

10.9 No person shall dispose of refrigerated appliances, derelict motor vehicles with air conditioning or other similar items not bearing a certificate that the chlorofluorocarbons have been removed by a licensed person.

10.10 No person shall offer, or give to, the Attendant any fee or gratuity for the services provided, nor shall the Attendant accept any fee or gratuity.

10.11 No person shall scavenge, pick over, interfere with, remove or scatter any materials placed within the domestic garbage area of the Municipal Transfer Station and Landfill.

10.12 Notwithstanding any and all clauses within this section, the Director of Public Works or designate shall have the undisputed authority to resolve disputes arising out of the interpretation and provisions of this section. Such interpretations shall be final.

11.0 RECYCLING ACTIVITIES:

11.1 All residents are encouraged to reduce waste through the 3Rs hierarchy of reduce, reuse and recycle. A list of recyclable materials has been included in Schedule B. Opportunities exist to backyard compost and participate in the blue box recycling program.

11.2 Industrial, commercial and institutional sectors are encouraged to make an effort to utilize the recycling programs administered by the Corporation.

12.0 PENALTIES AND ENFORCEMENT

12.1 Any person found guilty of an infraction of any provision of this by-law shall upon conviction pay a fine or penalty not exceeding \$5,000.00, exclusive of costs, for each and every offense and such penalty shall be recoverable under the *Provincial Offences Act*, R.S.O 1990, c. P.33, as amended. Upon conviction for a breach of the provisions of this by-law the court of jurisdiction may make an order prohibiting the continuation or repetition of the offense by the offender.

12.2 Where a person fails or defaults to carry out any direction or action required by the Corporation as authorized by this by-law, the municipality may recover the costs of doing a thing or matter from the person directed or required to do it and the municipality may recover the costs by action or by adding costs to the tax roll and collecting them in the same manner as taxes, as provided in Section 434 of the *Municipal Act*, 2001, S.O. 2001, c. 25 and amendments thereto.

12.3 Should any section, clause or provisions in this by-law be held by court of competent jurisdiction to be invalid, the validity of the remainder of this by-law shall not be affected.

12.4 The provisions of this by-law shall be enforced by the designated Officials or members of the Ontario Provincial Police. The provisions of Section 12 shall only be enforced by a Provincial Offences Officer.

13.0 ADMINISTRATION:

13.1 The Contractor(s) shall supervise all operations at the Municipal Waste Disposal Sites under the direction of the Corporation and as outlined in the current waste management contracts. Both parties shall enforce compliance with the provisions of this by-law.

13.2 Council may authorize studies and programs and prepare policies for the maximization of the life expectancy, efficiency and effectiveness of the collection process, the Municipal Waste Disposal Sites, and the reduction, reuse and recycling of waste.

13.3 The Contractor and Attendant shall cooperate as may be reasonably requested, in the collection of data and facilitation of such studies as indicated in clause 13.2.

14.0 SCHEDULES:

14.1 The following schedules annexed and attached to this by-law shall form a part of this by-law:

14.1.1 Schedule "A" – Municipal Transfer Station and Landfill Hours of Operation

14.1.2 Schedule "B" – Recyclable Products

14.1.3 Schedule "C" – Garbage Collection Route Schedule

15.0 BY-LAWS:

15.1 That By-Law No. 06-98 and any amendments thereto be and are hereby repealed.

15.2 That the attached schedules may be amended from time to time.

READ a FIRST, SECOND and THIRD time and FINALLY PASSED this 26th day of October, 2020.
