Dear Atikokan Residents

On behalf of Atikokan Town Council, I would like to thank everyone for doing what is necessary to overcome this global COVID-19 situation. We are all in this together and we all need to follow the rules in order to protect each other. By doing this we plan to gradually get back to certainty in life.

To all the medical workers at the hospital, medical clinic, Family Health Team and elsewhere in Atikokan I say thanks to each of you for all the great work you are doing for our community and area to keep us healthy. Your work is critical and we are all here to assist you any way we can to keep our area safe.

We need to continue to restrict gatherings, follow social distancing of at least 2 metres, reinforce hand hygiene, disinfecting and other protocols to prevent transmission and cough or sneeze into your arm.

We are glad to see all the local people who travelled internationally to United States, Mexico, Cuba or elsewhere are self isolating for 14 days. This is so important and we sure appreciate everyone doing that.

In closing, thanks to everyone, your actions are a significant contributing factor to limiting the damage of this public health crisis. I think we all agree we don't want one case in Atikokan.

Please keep working to keep our town and area safe.

Yours truly

Dennis Brown
Mayor
