Media Release 3: COVID 19-Specialized Transit

The Town of Atikokan is monitoring the COVID 19 virus pandemic on a daily basis. In an abundance of caution and giving the utmost consideration to the health and safety of the residents of Atikokan, as of Tuesday March 18th the Specialized Transit Program (Handi-van) will only be providing rides for essential services (groceries and medical). Patrons will be screened before entering the vehicle as well as required to use disinfectant wipes and follow the driver's instructions on any other safety/health precautions.

As we continue to monitor the situation and as things change, further updates will be provided.

Please continue safety practices such as increased hand washing and keeping an effective social distance from people. We thank the public for their continued patience and understanding during this time.
